Study Island/iReady Club (3-7) -

During this time, we will give students the time and ability to complete their online learning assignments. Please ensure that if your student does not always have access to a computer they join us during this time to do these assignments, as they are a crucial part to their in class learning.

Spanish (5-7) -

We will not only focus on language, but also the culture found in Spanish speaking countries. This will be a fun and interactive way to learn about cultures other than our own through music, dance, food, etc. If you are interested in exploring the world in a fun way please join me.

Number Ninja's-

Number Ninjas is open to grades 6 & 7, and is a place to work on challenging problems in a laid-back environment with peers who love math too. We will be working on solving problems involving math and logic, brain teasers, math puzzles, and more! Having math as your best subject is not required to join! All you have to have is a desire to learn and be willing to do what it takes to become better!

Board Games-

The board game club will meet every Tuesday after school. Students will be able to come play a diverse selection of board games recreationally. Many of the games will promote the formation of strategies, teamwork, and critical thinking.

Community Service-

Our club will help make the community a better place to live in by recognizing local needs and addressing them. We'll

10911 Old St. Augustine Rd. Jacksonville, FL 32257 Tel: (904) 855-8010 Email: mandarin-info@rivercityscience.org

start at the school level and expand to bigger and broader projects throughout the year! Once involved, you will recognize the benefits of participating in service-oriented activities and gain leadership skills.

Yoga-

Yoga helps kids to detach from all these pressures and accept themselves for who they are. Yoga is a noncompetitive activity that provides kids a strong sense of self. With practice, they can identify how their bodies move and feel. They also learn respect for others. Yoga improves concentration, flexibility and self confidence in children and adults alike.

****Please have students come prepared with a Yoga Mat of their own and comfortable and appropriate clothing if they decide to change.**

Yearbook-

The yearbook is a group of 4th-7th grade students who volunteer to help create the annual school yearbook. Yearbook club provides students with the opportunity to have input in how the yearbook is produced. Members of the club will be responsible for taking pictures both at school and school-related events (students may be required to attend after school events to take pictures), planning yearbook pages, fundraising, etc. No prior experience is necessary. We will meet every Thursday after school from 3:00-3:45. Please contact Ms. Montalto (kmontalto@rivercityscience.org) for more information.

Newspaper-

This club is open to 4th-7th grade students and meets on Thursday from 3:00-3:45pm. We will create a monthly school newspaper featuring articles, cartoons, letters to the editor, events, and more!

Model UN-

Model United Nations, also known as Model UN or MUN, is an extra-curricular activity in which students typically role play delegates to the United Nations and simulate UN committees. Thousands of middle school, high school, and college students across the country and around the world participate in Model United Nations, which involves substantial researching, public speaking, debating, and writing skills, as well as critical thinking, teamwork, and leadership abilities.
