

## **AP US History summer work...**

1. Read the first five chapters of the OpenStax US History free online textbook.

<https://cnx.org/contents/p7ovulk1@3.36:gMXC1GEM@3/Introduction>

It is downloadable as a PDF or EPUB or you can print it out or read it at the OpenStax website.

2. Take notes in a notebook as you read. The goal of taking notes is to have a study resource to look back at later in the year. Try to capture the most important facts, events, people, and ideas from your reading.

I will look at and grade your summer notes at the beginning of the school year.

3. As you work your way through the chapters, watch the following series of Youtube clips to reinforce and supplement your learning. The clips should allow you to confirm whether you are capturing the right information in your notes. Add to and highlight your notes as necessary.

**The Black Legend, Native Americans, and Spaniards: Crash Course US History #1**

**When is Thanksgiving? Colonizing America: Crash Course US History #2**

**The Natives and the English - Crash Course US History #3**

**The Quakers, the Dutch, and the Ladies: Crash Course US History #4**
