## RIVER CITY SCIENCE ACADEN **K-12 CHARTER SCHOOLS**

#### **About Us**

River City Science Academy (RCSA) is a non-profit, tuition-free, high-performing, public charter school located in Duval County in Jacksonville, Florida. RCSA was founded in 2007 and serves approximately 4,000 students in grades K - 12, with over 400 employees at 5 different locations. We are Schools of Character and offer an emphasis on STEM education while providing strong academics and extra-curricular programs. We are proud to be one of the first successful charter schools in Duval County, the first to receive an A grade and high-performing status from the Florida Department of Education. To learn more about what we offer, please visit https://www.rivercityscience.org/

#### **Benefits**

We believe in investing in our employees' health, family, and future. We offer an attractive benefits package for full-time employees, which includes competitive salary, paid holidays, compensation for events beyond contractual hours, Florida Retirement System benefits, health, dental, and vision insurance, paid sick leave, maternity leave, paternity leave, advanced supplements, degree supplements for endorsements, and performance bonuses, just to name a few.
